

WELCOME to the North and South Otter Lake Association!

On behalf of the North and South Otter Lake Association (NSOLA), I would like to welcome you to our community. We number about sixty cottages and permanent residences around the two lakes and are neighbours to Frontenac Provincial Park. Membership in the Association is currently \$10.00 per voting member. Our Executive consists of:

President	Peter Neumann
Vice President	Anita Dunn
Past President	Liz Evans
Treasurer	Mike Kramer
Secretary	Steve Blostein

Directors	Barry Robertson Sally Dundas
-----------	---------------------------------

Information about our Association, our Constitution and other NSOLA documents can be found on our website, www.nsola.org, along with information about local natural history, Township matters and more. NSOLA's main purpose is to foster a sense of community in our area and to deal with matters of common interest or concern, maintaining the health of the natural environment at and around North and South Otter Lake, and gathering and exchanging ideas and information about the area.

We usually hold our Annual General Meeting mid-July at the head office of Frontenac Provincial Park on Salmon Lake Road.

Please feel free to contact any of our Executive about community matters that you may be interested in or concerned about. We look forward to seeing you at the lake and at our AGM. Our email address is executive@nsola.org.

Best regards,

Barry Robertson
Director, NSOLA
